Linecard

Distributor of Electronic Components

Connectors

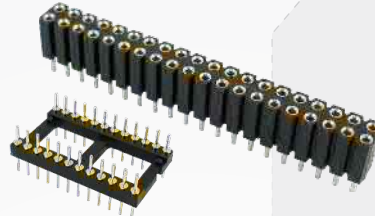

molex
one company a world of innovation

- signal connectors
- power connectors
- waterproof connectors
- connectors for FFC cables
- tools
- I/O connectors
- RJ jacks and plugs

preci-dip

- PCB connectors
- DIL sockets
- PLCC sockets
- spring - loaded connectors

Woodhead Brad
molex

- DIN MPM VALVE connectors (43650) *MPM*
- M8/M12 connectors sealed up to IP69K
- junction boxes and joiners
- balancers, positioners, retractors

FCT
a molex company

- hoods
- industry connectors
- high power connectors
- standard D-SUB connectors
- PCB D-SUB connectors

GWconnect
a molex company

- heavy duty connectors
- modules
- cable glands and accessories
- aluminium enclosures

TTAF

- Connectors compliant to IP68 standard
- IP68 „T“ and „I“ style cable joiners
- Ideal solution for outdoor lighting applications

Terminals and connectors

WECO

- PCB connectors
- SMD connectors
- PCB terminals

Switchcraft

- audio connectors
- industrial connectors
- switches
- audio panels
- waterproof connectors IP 68
- waterproof USB, RJ45

SAURO

- terminal blocks
- multi terminal blocks
- box on DIN rail

mikropla

- fastons
- fastons housings
- rings terminals
- spade terminals
- end splices
- cord - end terminals

Cable terminals

JEESON
TERMINALS CO., LTD

- copper terminals
- ring, spade, pin
- female & male disconnectors
- piggy back disconnectors
- cord end terminals
- butt connectors
- cable ties

Crimping technology

Mecal

- crimping presses
- applicators
- stripping machines
- accessories
- spare parts

Heat shrink tubing

ACS

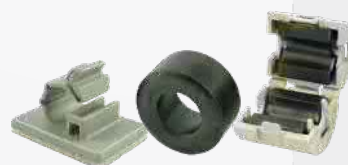

- thin 2:1, 3:1, 4:1
- wall tubing
- medium
- heavy
- molded parts for medium voltage
- tubing with adhesive

EMC products and plastic products

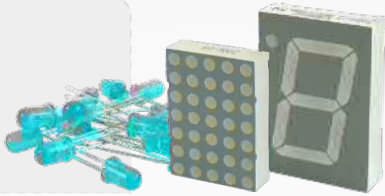

KGS

- ferrites
- magnetic materials
- spacers and holders
- holders of LED
- card holders and ejectors

Kingbright

- SMT LED
- LED 1,8 - 20 mm
- circuit board indicator
- LED displays
- LED light bar

LED and displays

SUNON

- AC fans
- DC fans
- power motors
- silent fans
- mini fans
- accessories

AC & DC fans

GERTH

Transformatorenbau GmbH

- DPS transformers

Transformers

crydom

- panel mount
- DIN rail mount
- PCB mount
- SSR timers
- control relays
- power modules

Solid state relays

- rectifier Diodes
- Schottky diodes
- bridge rectifier
- IGBT modules
- and products as MBF, FRED, MOSFET, CELL

Diodes & bridges

Flamar

a molex company

- industrial cables
- hybrid and special cables
- signal and network cables

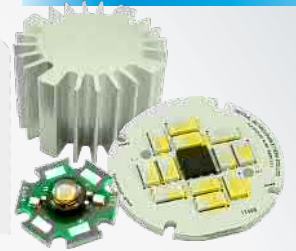

Solutions for electronic

- electronic assembly tapes and liquid adhesives
- embedded capacitance materials
- chemicals
- cables
- connectors

SEOUL Acrich

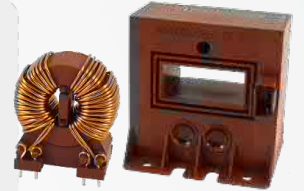

- top LED (PLCC2-PLCC6)
- high flux LED
- LED 3 mm and 5 mm
- power LED 0,5 - 10 W
- multicolour LED

VAC

VACUUMSCHMELZE

- current sensors
- cores
- chokes
- permanent magnets
- transformers
- current transformers
- magnetic materials

Cores & Inductive components

GLP

GLOBAL LEADER POWER

DELTA

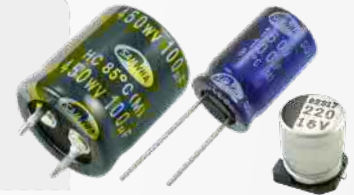

- DC/DC converter
- DC/AC power inverter
- DIN rail power supply
- waterproof
- open frame

Switching power supply

SAMWHA

- standard and SMD capacitors
- high range of working temperature
- low ESR capacitors
- snap-in capacitors
- high life capacitors
- power capacitors

Capacitors

Lutron

- multi functions meters
- LCR, capacitance holster
- AC/DC clamp meters
- thermometers, humidity meters
- lux meters
- pH meters, voice meters

Measurement instruments

AlphaWire

- UL, CSA, MIL wires and cables
- special and hybrid cables
- one wires cables
- multimedia cables

Cables

3M

Solutions for electronic

- electronic assembly tapes and liquid adhesives
- embedded capacitance materials
- chemicals
- cables
- connectors

- Accessories for LED
- Cables and wires
- Active components
- Passive components
