

**OFFICIAL**  
**ELECTRONIC**

**Linecard**

**Distributor of Electronic Components**

# molex

- signal connectors
- power connectors
- waterproof connectors
- connectors for FFC cables
- tools
- I/O connectors
- RJ jacks and plugs

- › **FCT connectors**
- hoods
- industry connectors
- high power connectors
- standard D-SUB connectors
- PCB D-SUB connectors

- › **Brad - Woodhead connectors**
- DIN MPM VALVE connectors (43650) *MPV*
- M8/M12 connectors sealed up to IP69K
- junction boxes and joiners
- balancers, positioners, retractors

- › **GW Connect - Westec connectors**
- heavy duty connectors
- modules
- cable glands and accessories
- aluminium enclosures

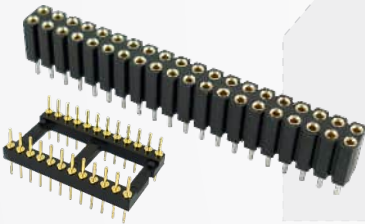

- › **AirBorn - connectors**
- MIL-SPEC connectors
- PCB connectors (R, W)
- high speed connectors (verSI)
- circular connectors

- › **FLAMAR cables**
- industrial cables
- hybrid and special cables
- signal and network cables

## Connectors

- PCB connectors
- DIL sockets
- PLCC sockets
- spring - loaded connectors

**preci-dip**

- connectors compliant to IP68 standard
- IP68 „T“ and „I“ style cable joiners
- ideal solution for outdoor lighting applications

## Terminals and connectors

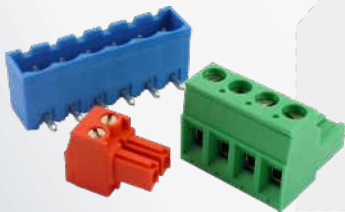

- PCB connectors
- SMD connectors
- PCB terminals

**WECO**

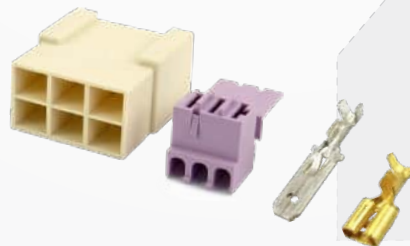

- audio connectors
- industrial connectors
- switches
- audio panels
- waterproof connectors IP 68
- waterproof USB, RJ45

**Switchcraft**

- terminal blocks
- multi terminal blocks
- box on DIN rail

**SAURO**

- fastons
- fastons housings
- rings terminals
- spade terminals
- end splices
- cord - end terminals

**mikropla**

- spring and screw quick connectors
- terminal blocks for SMD and THT printed circuit boards
- industrial connectors
- charging connectors for electric vehicles

**DEGSON**

- connectors
- crimping equipment with accessories
- Board-In terminals

**J.A.M.**

## Kingbright

- SMT LED
- LED 1,8 - 20 mm
- circuit board indicator
- LED displays
- LED light bar

## LED and displays

## VAC

VACUUMSCHMELZE

- current sensors
- cores
- chokes
- permanent magnets
- transformers
- current transformers
- magnetic materials

## Cores & Inductive components

## SUNON

- AC fans
- DC fans
- power motors
- silent fans
- mini fans
- accessories

## AC & DC fans

## KGS

KITAGAWA INDUSTRIES America, Inc.

- ferrites
- magnetic materials
- spacers and holders
- holders of LED
- card holders and ejectors

## EMC products and plastic products

## G L P

GLOBAL LEADER POWER

## DELTA

- DC/DC converter
- DC/AC power inverter
- DIN rail power supply
- waterproof
- open frame

## YSD

- LED power supply
- modular power supply

## Switching power supply

## MW

MEAN WELL

- DIN rail power supplies
- LED power supplies
- modular power supplies
- DC/DC converters, inverters

## Solid state relays

## crydom

- panel mount
- DIN rail mount
- PCB mount
- SSR timers
- control relays
- power modules

## intreXis®

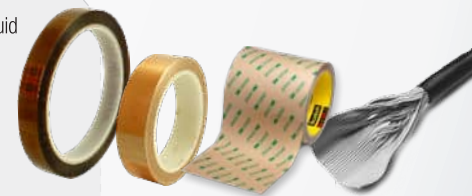

- wide input voltage range: 14,4 - 154 VDC
- wide temperature range: 14,4 - 154 VDC
- high efficiency: 96,7%
- small and light: 98 g
- robust and reliable

## Xtra power supply

## 3M

- electronic assembly tapes and liquid adhesives
- cables
- connectors

## Solutions for electronic

## JEESON

TERMINALS CO., LTD

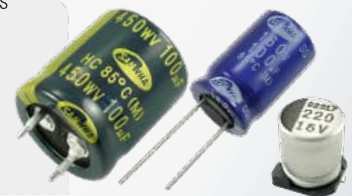

- copper terminals
- ring, spade, pin
- female & male disconnectors
- piggy back disconnectors
- cord end terminals
- butt connectors
- cable ties

## Cable terminals

## SAMWHA

- standard and SMD capacitors
- high range of working temperature
- low ESR capacitors
- snap-in capacitors
- high life capacitors
- power capacitors

## Capacitors

## Mecal

- crimping presses
- applicators
- stripping machines
- accessories
- spare parts

## Crimping technology

## AlphaWire

- UL, CSA, MIL wires and cables
- special and hybrid cables
- one wires cables
- multimedia cables

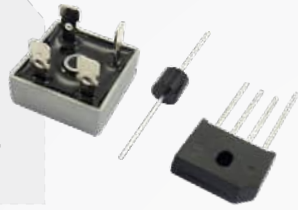

## Cables

# Products

### Diodes & bridges

- rectifier diodes
- Schottky diodes
- bridge rectifier
- IGBT modules
- and products as MBF, FRED, MOSFET, CELL

Transformatorbau GmbH

- PCB transformers
- mini transformers
- flat transformers
- eco-design transformers

### Transformers

- thin 2:1, 3:1, 4:1
- wall tubing
- medium
- heavy
- molded parts for medium voltage
- tubing with adhesive

### Heat shrink tubing

- flexible flat cable

### FFC cables

### Cable harness production

- assembly of electrotechnical subsystems
- cutting and stripping of single-core wires
- automated cutting and stripping
- tinning and pressing of contacts

- accessories for LED
- active components
- passive components

### Other components
